SciDev and Nuocer China Group cement and expand relationship

SciDev Ltd (ASX: SDV) is pleased to advise that its relationship with Nuocer Group continues to strengthen, growing on the initial acquisition by SciDev of exclusive marketing rights to key Nuocer chemical products in the Oceanic region (refer ASX 11 February).

Earlier this month Lewis Utting, SciDev's Managing Director and CEO, joined Nuocer China Group's owner and Chairman, Mr Rong Minjie, and Dr Jeffrey Zhang, General Manager of Nuocer's Australian operations (now engaged by SciDev) in an inspection of the Nuocer manufacturing facilities in Dongying, China. Mr Utting and Mr Rong signed a framework agreement for future strategic cooperation.

Nuocer China Group owner and Chairman Mr Rong Minjie and SciDev Managing Director and CEO Lewis Utting in Dongying, China.

SciDev is increasingly recognised globally for its industry-leading proprietary technology, product development and industry-facing technical team, delivering solids-liquid separation solutions to a growing range of industry sectors. The Nuocer China Group delivers first-class production technology and research capability.

Mr Rong and Mr Utting running a strategy session with Nouer China executives in Dongying.

Through the framework agreement, SciDev and Nouer Group are undertaking an in-depth analysis of market opportunities both within the region of their current arrangements and in other jurisdictions. The broadening cooperation between the two groups is expected to deliver unparalleled industry reach.

On behalf of SciDev Ltd

Heath Roberts
Company Secretary
